

# Monday Message

Dec. 13, 2021

## President's Message

Dear all,

First: I am sharing an incredibly informative (albeit already dated) [keynote featuring Dr. Mike Osterhom](#). The keynote itself is about 45-50 minutes in length. Completely worth the time to view and consider.

Second: Monday Messages are anticipated to continue as usual, while Tuesdays at Two will be a bit spotty through early spring due to scheduling associated with the upcoming Legislative Session. The next Tuesday at Two will be Jan. 11 via Zoom.

Third: Be sure to take a look at next week's Monday Message, it will feature an animation of our winning student graphic design holiday greeting card, created by Mr. JT Gustin, a junior from Lewiston, pursuing degrees in both graphic communications and auto mechanics technology. We started the holiday contest in 2019 and I have been impressed each year by the many talented graphic artists we have on campus!

Congratulations, JT!

Cynthia Pemberton, Ed.D.  
President
