Dual Credit Add/Drop/Withdrawal Form

Name _____ Student ID # _____ Date _____ Term _____ Year _____

Add/Drop/Withdraw	Dept.	Course #	Section	Title of Course	Credits
Example: Drop or Withdraw	CHEM	111	HS2L1	Principles of Chemistry	4

Dropping/Withdrawing

Dropping a course – Students opting to drop a course must do so by the payment deadline in order to receive a full refund. Students must complete the Dual Credit Add/Drop/Withdrawal Form (with counselor signature).

Idaho students: Dropping a course prior to the course drop deadline date will result in a deletion of your class. Withdrawing from your course between the drop deadline and prior to the Withdrawal deadline will result in a "W" on your permanent college transcript.

Washington students: Dropping a course prior to the drop deadline will result in a deletion of your class and any funds used to pay for the course will be reimbursed. Withdrawing from the course after the drop deadline and payment deadline will result in a "W" on your official college transcript and no refund of dues paid will be issued.

Withdrawing from a course in the high school or on-campus/online – Students must complete the Dual Credit Add/Drop/Withdrawal Form (with counselor signature). This will result in a "W" on the official college transcript (without a refund). Students using Advanced Opportunities funds for the course will have their funding frozen until the student has paid out-of-pocket for and successfully completed (earned credit) for a Dual Credit course before further AO funding can be requested and approved.

Students using Advanced Opportunities funds should work with their counselor to remove those funds. Students who do not formally withdraw from class(es) may be subject to failing grades on the permanent transcript and will not be entitled to ANY refund.
