

Application Information & Instructions

for

BACHELOR OF SCIENCE IN RADIOGRAPHIC SCIENCE PROGRAM

MINIMUM ADMISSION CRITERIA

Prerequisite

1. Acceptance into the Associate of Science in Radiographic Science Program
 - OR degree from an accredited Associate of Science in Radiographic Science Program
 - OR degree from an accredited Associate of Applied Science in Radiographic Science Program and unofficial transcripts.
2. BIOL 228 Human Anatomy & Physiology II (or equivalent)
3. General Education Core

Performance Standards

Ability to meet Performance Standards for Nursing & Health Science Division students. (see NHS Program Handbook on NHS home page for Performance Standards.)

Transfer Students must submit Course Descriptions

Course descriptions and unofficial transcripts for all pre-requisite courses completed outside the state of Idaho must be submitted with the application to determine equivalency (if credits have not previously been evaluated.)

RS APPLICATION PACKET CHECKLIST

Transfer Students (Applies to students not currently enrolled at LCSC)

- Apply to Lewis-Clark State College
 - Application is available at www.lcsc.edu/admissions.
 - Request one copy of official transcripts to be sent to LCSC Office of Admissions. Include transcripts from all colleges and universities attended (other than LCSC).
 - LCSC Application and all transcripts must be received the semester prior to program application.
 - All transcripts from all colleges must be available in the Registrar's office at the time of application
- Attach unofficial transcripts from all other colleges and universities attended prior to the RS application.
- Attach Course Descriptions for support courses (only transfer course descriptions are needed and only if not previously evaluated.)

All Students

Application Submission

- Contact your RS advisor to review your application and complete needed Course Substitutions or petitions.
- Complete your application and gather required documents. Bring your completed packet to the appointment to obtain your RS advisor's signature or email it to them for review.

Application Packet Contents

Check that all items are included in your application packet (if applicable):

- Completed Application. Incomplete applications will not be processed.
- Attach a copy of unofficial transcripts from all other colleges and universities attended
- Petitions (approved or those needing approval) for program related requirements.
- Course Substitution forms (for transfer courses- this is completed by NHS faculty).
- Course Descriptions for support courses (only transfer course descriptions are needed and only if not previously evaluated)

The application is considered complete when the above items have been received by the Nursing & Health Sciences Division.
