

What is my Math Pathway?

- Your major might have requirements that are not reflected in this chart. Check with your advisor.
- Students with an ACT Math equivalent of 15 or less can enroll in a course through the ALC prior to starting their Math Pathway.
- Students in the STEM or elementary education pathway with an ACT Math equivalent of 18 or less can enroll in a developmental on-campus course before starting their Math Pathway.

* Math 123P will be available Spring 2020.

† Sports administration, kinesiology: secondary education, health and fitness, and exercise science/health occupations majors should enroll in the MATH 123 pathway. Sports media studies, kinesiology: sports studies and coaching majors should enroll in the MATH 153 Pathway.
