Reduced Course Load Approvals

International F-1 students must enroll for a full course of study (minimum of 12 credits every fall and spring semester). Satisfactory academic progress must be continuously made throughout the course of degree program.

ATTENTION: You may lose your scholarship eligibility if you are not enrolled full-time. Contact the IPO office to discuss all options and ramifications of a reduced course load.

Reason	Limit
1. Undergraduate with less than 12 credits to degree completion in final term	Last term only, per each degree level
2. First semester academic difficulties	First semester only, per each degree level
3. Medical Condition	Up to one year of suspended or reduced course load due to medical complications
4. Concurrent enrollment at another institution	Not limited, student is required to maintain full time combined enrollment and follow all other F-1 regulations
