April Workshop

"New Quizzes, New Questions"
April 14th @ 3pm via CTL Zoom.

Angela will explore the New Quizzes tool, including quiz settings, migrating existing quizzes, new question types available, and the timeline for transitioning to this platform.

The 5 Min Rule

If you struggle with something in Canvas for **more than five minutes**, it's time to pick up the phone and call Carrie or Angela. Leave a message if we don't answer or shoot us an email. We're here to help with all issues great and small!

e-Learning Serves up the Skills

Summer is fast approaching, and e-Learning is here for you! Take advantage of the summer semester to work one-on-one with your Instructional Designers. Here are just a few of the things we can help with:

- Course Design Consultations
 - Organize content, content delivery methods, module requirements and prerequisites for adaptive release, Quality Matters best practices
- Assignment and Grades Settings
 - Organize your grade book, drop low scores, weight scores, use SpeedGrader, gradebook filters, and all things grades
- Exam Imports
 - Import textbook publisher exams or your own exams
- Accessibility Refresher
 - What are your accessibility obligations as a faculty?
 - Learn how to use Canvas's built-in accessibility checker
- Lecture Capture
 - Record in our workroom or learn on your laptop
- Clubs and Organizations in Canvas
 - Need a space to share info and docs with a select group of people? Chat with [Carrie](#) about Clubs and Orgs!
- Request a Workshop
 - If you and your colleagues want to learn more about a tool or Canvas feature, [email us!](#) We'll schedule a tailored workshop for groups of five or more- Zoom or in person!
- Canvas Bells and Whistles
 - Create module completion Badges
 - Create "tabs" on pages for streamlined content delivery
